

America's Choice (Comprehensive School Reform)

Elementary School

America's Choice has moderate evidence of effectiveness for elementary school comprehensive school reform, according to the Comprehensive School Reform Quality Center* (CSRQ).

Middle/High School

America's Choice has moderate evidence of effectiveness for middle/high school comprehensive school reform, according to the CSRQ.

About America's Choice

America's Choice works with districts and schools to align classroom instruction with state standards and assessments. Through ongoing analysis of student assessment data and student work, teachers learn to focus instruction on identified needs and move students toward attainment of standards.
